

Southeast Texas Fall Baseball League Playing Rules
(TEE BALL)

1. We will play with a 50 minute time limit. You finish the inning.
2. Each team bat's the entire lineup each inning & you will reverse the order each inning. Example, the kid that leads off, will bat last the next inning.
3. Catchers will stand behind the other teams coach, no gear required.
4. There will be a high school baseball player assisting coaches, and making the safe/out calls. We will not keep score, but we will have outs. Once three outs are recorded, we will clear the bases, but the team hitting will continue to bat until they get thru the roster.
5. We will use SAF-T-BALL's which are softer than standard baseballs.
6. Bases are 60' apart.
